In response to the outstanding Official Action mailed November 16, 2004, and
further to an April 20 Personal Interview, Applicant respectfully requests
reconsideration of the above-identified application.

Applicant would like to thank Examiner Li for the courtesies extended to
Applicant's representative, Mr. Jason Vick, during the April 20 Interview. During the
Interview Independent Claim 20 was discussed and the features therein contrasted
with Okin. Specifically, it was pointed out that independent Claim 20 is directed
toward an unpredictable microprocessor or microcomputer. The unpredictable
microprocessor or microcomputer includes a main memory, a first RAM-type
working memory, a second RAM-type working memory, a processor, a bus and a
